GOD IS ONE: We see one of scribes trying to trap Jesus, asking which is the greatest commandment. He answers with what is said in the Book of Deuteronomy, “ Hear O Israel the Lord Your God is One.” The scribe had to agree with Jesus. This was the commandment Jewish people live by. The other is like it, love of neighbor. The Oneness of God is in the forefront of our faith. We know and believe that God is One in Three Divine Persons, Father, Son, and Holy Spirit. That is the completion of the commandment in the Old Testament. Jesus lived that commandment for Deuteronomy all His life. He knew however in a more intimate way of the Oneness of God. This is the basis of our faith. To be a Christian a person is to accept this. Each of the members of the Trinity are equal in power and glory. I have had people who claim to be Christians say that Jesus was not God as He was on earth. He did not lose anything while He was among us. He taught us about the Father by His words and actions. We pray and live this each time we begin and end our prayers as we make the sign of the Cross. God is One this is what we believe.
